Amarbayasgalan 《West Side》

At the end of the day, a glimpse of the sunset caught my eyes. From the ground, we usually only see the blue sky, but that moment felt different. The crepuscular rays stretched across the clouds, and for a second, I stopped and just looked. It reminded me of my high school days when my classmates and I stayed after class, doing homework, talking, and laughing until the sun went down. I remembered walking home under the fading light, not realizing how special those moments were.

After coming to NTPU, that familiar warmth returned. I didn't realize how much I missed that feeling until then. I went up to a higher place to see the view, and it was breathtaking. The campus looked calm yet full of life, glowing softly under the evening sky. Through this photo, I wanted to show how beautiful our university truly is. Its welcoming atmosphere, the mountain backdrop, and the way everything fits together make it feel like home. Many people walk by without noticing it, but if you pause for a moment, you can feel how alive it really is. Even when the ground grows dark, there is always light above, waiting to be seen.

《Urban Grace》

As the sky dims and the sun sets, nature calls gently. From the ninth floor, a bird's-eye view reveals the campus in all its grace, featuring lush greens, thoughtful planning, and a lake that breathes serenity into Sanxia. Amid tall buildings, the library stands as a quiet masterpiece. Layers of nature and architecture blend seamlessly, offering peace in the heart of an urban city. NTPU is a place to be for everyone, or at least for me.

扶班紅蓮 《夏日的寧靜》

在越南待了一個月後，我再次回到這裡。

熟悉的校園、熟悉的風，但當我走在校園的小坡道上時，卻發現周圍安靜得出奇，彷彿所有聲音都停在了夏日午後的某個瞬間。操場上沒有學生的喧鬧聲，長椅旁也沒有往日的談笑，只有陽光靜靜灑在草地上，微風輕輕吹過。我站在那裡，看著眼前這片寧靜的風景，心裡突然湧起一種說不出的感覺——有點孤單，卻又覺得美好。於是我拿出手機，把這個瞬間記錄下來。其實並沒有想要參加什麼比賽，只是想把這段時間的心情、這份屬於自己的安靜與溫柔留下來。或許多年後再看這張照片，我會想起這一天、這個午後，以及那份屬於我自己的夏日寧靜。

武光岱 《戴著斗笠的自豪》

這張照片是我在國立臺北大學參加「國際美食文化節」時拍攝的。那一天，來自世界各地的學生都展示了自己國家的料理與文化，而我很榮幸能代表越南攤位。戴上越南傳統的斗笠，親手準備越南的飲品與美食，看到許多同學對越南料理充滿好奇與喜愛，我的心中充滿了感動與自豪。能在異鄉用自己的雙手，把家鄉的味道帶給大家，讓更多人認識越南的文化與熱情，這讓我深深感受到身為越南人的驕傲與力量。這次經驗不只是一次活動，更是一次心靈的交流與成長，讓我更堅定地相信——文化的力量能跨越國界，連結人心。

《綠意與花香：台北大學的美麗瞬間》

在台北大學的寧靜校園中，一排高大的樹木沿著長長的道路綻放著生命的光彩。樹上點點粉紅色的花朵，如夢如幻，為整個景象增添一抹柔和的色彩。這片綠意盎然、花香四溢的畫面，不僅彰顯出學校的優雅與生機，也象徵著學生們在這片充滿希望的土地上，追逐夢想、茁壯成長。每當陽光灑落，這條道路猶如通往未來的希望之路，等待著我們一同踏上。

《Flames Over the Campus Sky》

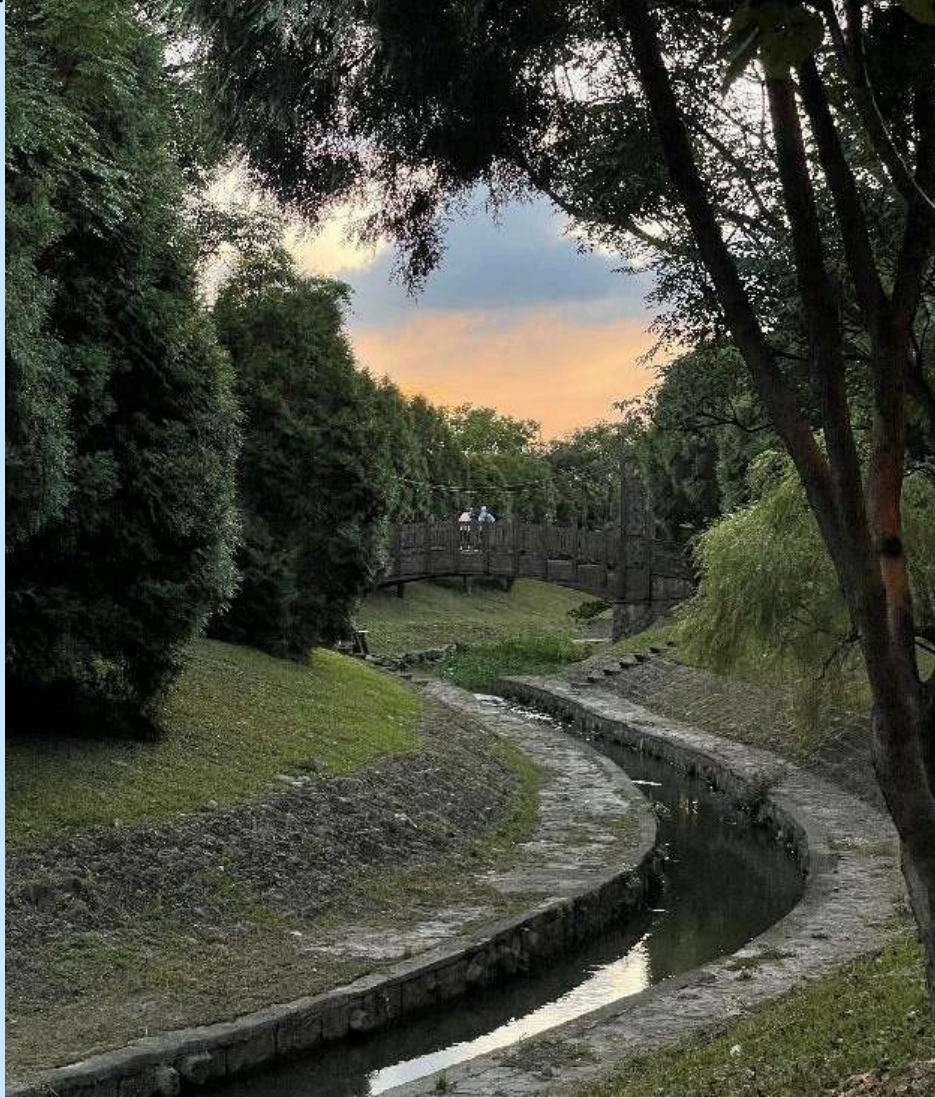

I took this photo in my third semester, when the sky looked like it was set on fire. The soft flames painted across the clouds. It symbolize a new spirit of a new semester. It's a moment that motivate me to study better and enjoy my campus life. Looking at the sky reminds me that there is no limits of dreaming.

《季節之笑》

The first month in Taiwan, a stranger beneath foreign skies, carrying the quiet sorrow of a heart far from home. Yet the sky becomes a messenger, sending whispers of longing across clouds and winds, softening the ache with light. On a wooden bridge, friendship blooms like spring warm voices melting distance, turning solitude into gentle grace. And so this name was born : a smile of the season, where homesickness fades into the colors of hope and belonging.

《The Journey of Light — Mind Lake at Dusk》

This photo was taken at Mind Lake, National Taipei University, during a peaceful afternoon when the sunlight gently touched the surface of the water. The image captures a solitary duck gliding toward the light, leaving behind ripples that shimmer like golden threads. To me, this scene represents the quiet yet powerful journey of every NTPU student — moving forward with determination, curiosity, and hope, guided by the light of knowledge and friendship. Through this photograph, I wanted to show the calm and inclusive atmosphere of NTPU, where nature and learning coexist harmoniously. The serene environment around Mind Lake provides not only a space for reflection but also a symbol of the university's openness and diversity, welcoming students from all around the world to grow together under the same sun.

Joao Baptista Pereira Guterres 《Sunset Over "Heart Lake"》

This photograph captures the tranquil beauty of Heart Lake at National Taipei University during sunset. The golden light reflects across the still water, framing the library and surrounding academic buildings in a warm, peaceful glow. The image highlights the harmonious balance between nature and architecture — where education and environment coexist gracefully. Through this scene, I aim to showcase the university's commitment to nature preservation and sustainable campus design, while celebrating the calm yet inspiring atmosphere that encourages reflection and learning for students from around the world.

《Beauty of National Taipei University Campus》

This photo was taken at the university lake during sunset in 2024. The soft golden light reflected on the water and the ducks swimming peacefully create a calm and heartwarming atmosphere. As the sun sets, it reminds us to appreciate the simple joys around us and the connection between nature and people. It also brings a perfect sense of relaxation and a beautiful view after a busy day of studying. Our university is full of green spaces, vibrant plants, and modern facilities from the sports center and library to cozy study areas, canteens, and convenient stores. It is not only a place to learn but also a community that truly cares about students well-being, mental health, personal growth, and friendships. Both international and local students come together here, sharing cultures, laughter, and ideas, and creating memories that enrich our campus life. Through many meaningful activities, the university helps us grow both academically and personally. For me, this sunset reflects the positive energy and sense of belonging that show how beautiful and special National Taipei University is.

《Even on Gray Days, Hope Appears》

I took this photo because the rainbow appearing over the campus reminded me that hope can rise even on our grayest days. The contrast between the soft colors and the dark sky reflects the challenges and small moments of encouragement we often experience as students. This image also highlights the quiet beauty and calming atmosphere of the university, a place that supports growth and resilience in its own gentle way.

《Reflection of Love》

So, long short story, I was just finish my study in the library and I am quite hungry that moment so I decided to go out and find some foods in the cafeteria. But during my walk, I saw a really good sunset which led me to take a walk around the 心湖 to mesmerize the view. During the walk I saw a couple sitting by the lake and I feel it's very cute. It also kind of reminds me of what I wanna do with my future girlfriend because it's just so romantic. So, I decided to capture that moment with my only phone camera and zero experience of photography which is why the sun has some flares and also one of the couple are blocked by the sign is because there is no other possible angle to capture both sun and the couple anymore which is really unfortunate but it's ok, it's still feel romantic. During that moment, It also reminds me of the melody, "Love in the River" I played it and it becomes more romantic even though it's in the lake not river.

馮寶妍 《Pigeon Flying Dab》

I had a project for my "專題" which involved some pigeons. I love pigeons, especially the ones at our beloved university. They tend to completely disregard what I would call the "safe predators" around them. Whenever we, humans, try to chase them, instead of flying away immediately, they simply walk. They WALK! I found this hilarious when I first arrived in Taiwan. Somehow, these birds aren't even scared of dogs, cars, or even incoming bicycles. They are fearless, especially compared to the pigeons in Indonesia. They are indeed a different breed. They were one of the main sources of happiness for me whenever I walked from the dormitory to class. Although I am no longer living in the dormitory this semester, my love for these pigeons has not disappeared from my soul. I chose to submit this picture because I love seeing the funny photography awards that are held every year. This picture, in particular, has a sense of comedy about it and really brightens my day. In fact, I liked it so much that I made it one of the pictures on my phone's wallpaper. This pigeon looks like it's doing a dab, which was a trend that went viral in the 2010s.

張梓濤 《期中黃昏》

不知不覺已三年，當年陌生成日常，
黃昏烈焰漸式微，晚上微涼顯清幽。
考試可否不要來？三更未眠滿擔憂。

這一張圖片是有關一個在期中考試之前每天溫習到晚上兩點的少年，在看見心湖的黃昏後深刻體會到「勉強是沒有幸福的」這個道理的故事。

《The Heart of Sanxia》

This photo shows the peaceful yet lively atmosphere around the NTPU Library and Mind Lake — a place that connects the university with the Sanxia community. While the open space around the lake is filled with life. Students come here to study, relax, cycling, or take photos with friends. At the same time, people from the neighborhood also visit — elderly residents enjoy walking, families spend time together, and pet owners bring their dogs for a stroll. Here, the university opens its heart to the community, creating a space where learning and living flow together naturally. Through this photo, I hope to show that NTPU is more than an academic place — it is a living, breathing part of Sanxia, filled with warmth, diversity, and a sense of belonging for everyone.

陳婉婷《在北大找到第二個家的夕陽》

夕陽映照下的北大圖書館，是我在校園生活中最能感受到力量與希望的地方。圖書館前的「北大石」象徵扎根與傳承，而建築中央交錯的光線則象徵知識的流動與探索。此作品以溫暖的天光與沈穩的建築線條，展現北大「寧靜而堅定」的學習氛圍，也呈現學校兼具現代感與人文氣息的特色。透過這張照片，我希望傳達北大陪伴境外生成長、給予力量的正向能量。

徐文紹 《在光灑落的方向》

在北大，有些風景不需要刻意尋找，只要在午後抬頭，就能看到光如何溫柔地落在校園。那天的陽光剛好穿過樹枝，柔柔地灑在路上，也灑在來來往往的人身上。於是我把手機拿起來，希望記住這個讓人變得很放鬆的瞬間。這條路對我來說，不只是通往教室或宿舍的動線，更像是一個讓人慢下來、重新整理思緒的地方。北大最迷人的，就是這種自然和生活交融的舒適感。在北大，溫柔的光會陪你一起前進，照亮你的方向。

尤良嘉《綠意中的學習律動》

這張照片拍攝於國立臺北大學極限運動場，展現了藍天、綠地與校園建築交織的景色。拍攝動機源自我對校園環境的欣賞—臺北大學是全臺唯一擁有極限運動場的大學，象徵著勇於挑戰與追求突破的精神。極限運動場的存在，不僅代表運動與活力，也反映出學校鼓勵學生多元發展、平衡學習與生活的理念。環繞的山景與開闊的綠地，營造出舒適而富有朝氣的學習氛圍，讓人在課業之餘也能感受到自然的力量與心靈的放鬆。
