Efrei Paris
Engineering School of Digital Technologies

School website: https://www.efrei.fr/ & https://eng.efrei.fr/

The exchange program is open to French-speaking and English-speaking students who have completed a minimum of 2 or 3 years of a Bachelor's degree program in computer science or IT at one of our partner universities.

You will find below some practical information regarding the programs, exchange student nominations, and application procedures as well as practical information for students.

Programs

- **3rd Year**

The Undergraduate cycle is a scientific and technical training program, with core modules in:
- Mathematics
- Computer Science,
- Physics and Electronics,
- Biology (only for the Bio-informatics track)

- **4th Year**

Semester 7

FIELDS OF STUDY IN ENGLISH	FIELDS OF STUDY IN FRENCH
☐ Information Technology ☐ Data Science	☐ Embedded Systems ☐ Networks and Systems

Semester 8

COURSE PROGRAM IN ENGLISH	COURSE PROGRAM IN FRENCH
☐ Digital Transformation ☐ Software Engineering ☐ IT for Finance ☐ Networks & Cloud Infrastructures ☐ Data & Artificial Intelligence ☐ Data Engineering ☐ Business Intelligence & Analytics	☐ Image and Virtual Reality ☐ Intelligent Transport Systems ☐ Robotic Systems and Drones ☐ Bio-informatics ☐ Cybersecurity, IS, Internet Governance ☐ Cybersecurity, Infrastructure, Computer Software (CIL)

- **5th Year - Semester 9**

COURSE PROGRAM IN ENGLISH	COURSE PROGRAM IN FRENCH
☐ Digital Transformation ☐ Software Engineering ☐ IT for Finance ☐ Networks & Cloud Infrastructures ☐ Data & Artificial Intelligence ☐ Data Engineering ☐ Business Intelligence & Analytics	☐ Image and Virtual Reality ☐ Intelligent Transport Systems ☐ Robotic Systems and Drones ☐ Bio-informatics ☐ Cybersecurity, IS, Internet Governance ☐ Cybersecurity, Infrastructure, Computer Software (CIL)

International students will also have the opportunity to choose non-scientific modules in: Management and Economics, Languages, Professional Communication and Culture.

Information about degree-seeking and non-degree-seeking programs for international students can be found at: https://eng.efrei.fr/international-admission/

Academic calendar 2022-2023

PROGRAM	FALL SEMESTER	SPRING SEMESTER	HOLIDAYS
3rd Year Courses start: Courses end:	30th August 2022 13th January 2023	16th January 2023 7th July 2023	2 weeks for Christmas & New Year Others in November, February or May depending on the program
4th year Program – M1 Courses start: Courses end:	22nd August 2022 13th January 2023	16th January 2023 22nd July 2023	
5th year Program – M2 Courses start: Courses end:	31st October 2022 31st March 2023 *	No courses*– Internship period.	

*Exchange students have the possibility of applying for a Research Project running from mid-September to mid-January

Exchange Programs

- **Third Year (Undergraduate Program)**

Semester	Period	Courses
Fall (S5)	30th August 2022 - 13th January 2023	Scientific courses (common modules and 1 Elective)
Fall (S6)	16th January 2023 - 7th July 2023	Scientific courses (common modules and 1 Elective)

- **Master 1 – Fourth Year**

The Master 1 Program is divided into 2 semesters : Fall Semester (S7) and Spring Semester (S8).

These semesters are composed of two periods each.

Fall semester : Academic program + Project and Language Modules

Period	Courses/projects	ECTS
22nd August 2022 - 29th October 2022	Scientific courses	15
	English Language and cultural courses French Language courses (FLE)	5
31st October 2022 -13th January 2023	Master Project or Research Project	6
	English for Engineers	2
	French Language courses (FLE)	2

Spring semester : Project and Language Modules + Academic program

Period	Courses/projects	ECTS
16thJanuary 2023 – 31st March 2023	Master Project or Research Project	6
	English for Engineers	2
	French Language courses (FLE)	2
3rd April 2023 – 22nd July 2023	Scientific courses	18
	Management courses Communication courses French Language courses (FLE)	5

- **Master 2 – Fifth Year**

Semester 9 is an **academic program** running from 31st October 2022 to 31st March 2023.

Semester	Period	Courses/projects	ECTS
Fall (S9)	31st October 2022 – 31st March 2023	Scientific courses Management courses French courses (FLE) Research Project (optional)	30

Instead of an academic program, exchange students have the possibility of conducting a **Research Project** from mid-September to mid-January.

Semester	Period	Research Project	ECTS
Fall (S9)	12th September 2022– 13th January 2023	Research project related to the student's scientific background and Efrei Paris' research fields. Students will write a scientific article and highlight their research project and international mobility through a presentation or report. + French as a Foreign Language	30

Practical information
- Online visa application through Campus France: https://www.campusfrance.org/en/the-different-types-of-visas
